MEMORANDUM FOR: Chief, Administrative Staff, O/DDI

SUBJECT: Nomination for DDP/FE Slot, Intelligence Officer,
GS-13/14, Saigon

25X1A9a 1. The Office of Basic and Geographic Intelligence wishes to nominate [REDACTED] for the DDP/FE (New) Saigon position.

25X1A9a 2. [REDACTED] I.O. Cartographer, GS-13, is Chief of the Cartography Section, All-Source Branch of the Cartography Division. She has had more than 11 years experience in the Division, the last five of which have been in the field of current intelligence and high-level briefing support. Short deadlines, crash projects, sustained hours of production, and odd-working hours have been routine. [REDACTED] works very well under high pressure and has matched the performance record of any member in the Branch. During the past several years, much of her work has involved the Vietnam problem, having worked closely with OCI and SAVA analysts.

25X1A9a 3. [REDACTED] is recommended as a very strong nominee for this position. I feel she is uniquely qualified for the assignment and would perform in an outstanding manner.
